

This diagram shows an exploded view of a mechanical assembly. The main components are a transparent orange housing and a grey base plate. The housing is positioned above the base plate, with various internal features like slots and protrusions visible. The base plate has a complex shape with several circular openings and a central circular feature. The components are shown in a perspective view, highlighting their relative positions and the assembly structure.

A	B	C	D	E	F	G
